Subject: RE: Oxford group Holding - Neil Stafford

Dear

I have now made enquiries and our Department of Pharmacology has no knowledge of this individual. I have also checked with our central Personnel Department and there is no record of an individual of this name on our electronic HR system which goes back as far as April 2001.

Thanks Jo.

Hello Data Protection at University of Oxford.

Please see the email chain below, I am trying to confirm if Neil Stafford is as he claims, a Principal Fellow of Oxford University.

Can you please confirm receipt of this mail and let me know what to do next

Regards

Hello Jo,

Can you point me in the right direction where I can get this checked as there must be a University procedure for validating claims by people who state qualifications awarded?

Hello Jo,

Further to our conversation a few moments ago, the person I am looking to confirm is a Fellow of Oxford University is called Neil Stafford. The link to his corporate website and the statement at the bottom of his profile is given below:

<http://www.oxfordgroupholdings.com/Management>

If you can advise me of his confirmed status, or not, with the University of Oxford that would be appreciated. Alternatively if there is another method / route I need to follow to get this information please do let me know
