Richard,

I'm sorry that the transaction has been delayed, it was not of any of the companies making. All major organisations that have been working on this deal have had exactly the same issues!

You want out and I really want you out, I have told my lawyers to get you out as soon as possible. Forget about tax issues, deal issues and just get you out.

I have your bank details and the investment will be wired to you as soon as possible.

I take exception to all the comments that you have made and ensure you that the investment will be returned forthwith.

Neil
