Richard,

I'm so sorry to hear about your Dad, it must be absolutely terrible.

As I explained on the phone the drawdown was from the investment back into the trust, this as I said I was visible on and it has happened. Then I had to go into London to complete my bit, as I explained id basically been out of it for nearly two weeks with my treatment. I went in on Wednesday and completed and nothing stops them getting it to you. If I hadn't been going through this whole treatment programme it would have been done in a few days.

I'm sorry it wasn't but I was just not in a position to do anything about it. You'll see it cleared in the early part of the week.

Kind regards

Neil
