Hi Richard,

Hope you had great weekend, I'm doing the usual travel catching up with lost time as we waited for the sanctions to back off.

Great progress is being made and I'm expecting to have the shipping news in the next 48 hours. Its just such a crazy time, still will be worth it in the end. I appreciate you've been waiting a long time, we all have, but the result will be what we are all looking for. I want to make sure you have your upside, if we can't get your up side in a sensible timeframe then I will ensure your cash comes back, we've never not given a friend and family the upside of a deal and I don't intend to start now.

Sorry its take so long.

Will give you the updates as I get them.

Neil
